Avonia News — Sukkulenten

© Sous copyright (avec autorisation)

La **Société allemande pour les autres plantes succulentes** (Fachgesellschaft andere Sukkulenten e.V.), **FGaS**, a été fondée à Leipzig en 1990. La Société s'intéresse aux questions scientifiques concernant les plantes succulentes à l'exception des cactus, et au développement de leurs méthodes de culture; elle popularise les connaissances sur la taxonomie, sur les exigences de culture de ces plantes et sur leur reproduction. Des informations complémentaires sont disponibles sur le site de FGaS.

La Société publie la revue trimestrielle “Avonia” (précédemment “Die anderen Sukkulenten”) disponible pour les membres seulement, et le bulletin gratuit “Avonia News” puis “Sukkulenten” disponible sur le site de FGaS (→ Downloads), ou ci-dessous.
