

Augustin Pyramus de Candolle (1778-1841)

Revue de la famille des cactées.

 No copyright (public domain)

This work is made of 119 pages of text (classification, description, various...) and 21 plates. The original publication is in "*Mémoires du Muséum national d'Histoire naturelle*", vol. 17, 1828, which contains uncolored plates¹. In 1829 a reprint is issued with colored plates. Most of the material used in the reading room and in the interpreted pdf is based on the reprint from the [Missouri Botanical Garden \(MBG\) Library](#)².
