

# Brian Fearn & Leslie Pearcy

Thanks to **Brian** and **Leslie** for their authorization to make this e-version available.

## The genus Rebutia

© Under copyright (with permission) This is a small booklet published in 1981. 82 pages of text with 19 B&W pictures and the front and back covers with 7 colour pictures. Still very good for the beginner even though 30 years old.

- **Read online in the [reading room](#)**
- **Download:**
  - Interpreted file: [Rebutia.pdf](#) (2.5MB; 2011-03-02)
  - Original file: [Rebutia\\_O.pdf](#) (13.2MB; 2008-03-02)

## Brian Fearn

Thanks to **Brian** and the British Cactus and Succulent Society for their authorization to make this e-version available.

## Lithops

## LITHOPS

by  
Brian Fearn

NATIONAL CACTUS AND SUCCULENT SOCIETY  
Booklet No. 4

This is another small booklet published in 1981. 69 pages of text with 40 B&W pictures and one colour picture on the front cover. Still very good for the beginner with very interesting unusual data concerning hybridizing between “species”.

- **Read online in the [reading room](#)**
- **Download:**
  - Interpreted file: [Lithops.pdf](#) (2.4 MB; 2011-09-07)
  - Original file: [Lithops\\_O.pdf](#) (7.5 MB; 2011-09-07)
