  - The pdf file containing both the original and an “interpreted text” (poor quality) can be downloaded from [Biodiversity Heritage Library \(BHL\)](#)<sup>1</sup> under the name [mobot31753002553771.pdf](#) (135 MB)<sup>2</sup>.

Right: Leuchtenbergia principis, page 471.

## Flora Brasiliensis — Cactaceae

No copyright (public domain)

This is one of the articles of *Flora Brasiliensis* by Martius, written by Schumann in 1890. 69 pages of descriptions in Latin together with 25 beautiful black and white plates. Although written 9 years before *Gesamtbeschreibung der Kakteen*, the plant descriptions are often more detailed, and the plates are much better.
