

Zeitschrift für Sukkulentenkunde — Zfs

© Sous copyright (Avec permission)

The Journal “Zeitschrift für Sukkulentenkunde” (Zfs) has been published by the German cactus society (DKG) in six volumes from 1923 to 1928, with eight issues per year. Also non-members of the DKG could receive the issues of the journal. Editors were successively Friedrich Vaupel, Hermann Harms and Erich Werdermann, all working as botanists at the botanical garden in Berlin.
