Succulentes

Ad eccezione di Marcel Kroenlein che ci ha lasciato nel 1994, i presidenti dell' associazione editrice ci hanno dato il loro consenso alla pubblicazione in linea di questo giornale.

© Sotto copyright (con autorizzazione)

Questo giornale francofono è stato creato nel 1977 da Marcel Kroenlein, Direttore del giardino esotico di Monaco. Ci sono stati in totale 135 numeri di cui 16 numeri speciali e 3 quaderni di coltura. Composta da articoli sia di amatori che di specialisti internazionali, questa rivista ha partecipato alle grandi ore della cactologia francese.
